2017-18 Plastic Free Hawai'i School Mural Contest

Details

- **Theme:** Bring your vision of a Plastic Free Hawai'i to life. Imagine a world with less plastic and how students, schools, families, and communities can be part of the solution. Choose an inspiring message or action to share!

- **Who can participate?** Students and school groups, grades K-12. Entries must be submitted by a Teacher, Organization, or Parent on behalf of a student, a group of students, a club, a class, a grade level, or an entire school.
- **Materials:** Incorporate marine debris, plastic bottle caps, or any other single-use plastic items collected from cleanups or recycling drives. Tell us the story of where your materials came from in your Entry Form.
- **Format:** Email a digital high-resolution "actual size" jpeg (1MB or 1.5MB minimum size). Additional detail shots are welcome if your mural is large in scope.
- **Criteria:** Murals will be judged on use of found or reused materials, visual appeal, creativity, and integration of the theme.
- **Entry Form:** Each submission must be accompanied by an Entry Form that includes a description of your mural explaining how your materials were collected, who was involved in the planning and creating your mural, what your plastic free message is, and why it is important to you.
- **Submissions:** Entries must be emailed by February 23, 2018. Email submissions to plasticfree@kokuahawaiiifoundation.org

Need Inspiration?

Contest
Ends
February 23

- Kōkua Hawai'i Foundation's Plastic Free Hawai'i program seeks to minimize single-use plastics on our islands by educating and empowering schools, businesses and community members across Hawai'i.
- Visit www.kokuahawaiiifoundation.org/pfh for resources which include films, books, and links to organizations around the world working to minimize marine debris and single-use plastics.
- Request a presentation to your club, classroom, or school that covers the issues of plastic pollution to get inspired on creating your mural.
- Kick off your project by collecting bottle caps, marine debris, and other found objects via a beach cleanup, campus cleanup, waste audit, or a recycling drive. Teachers, have individual students complete a brainstorm sketch for the mural then work as a team to merge ideas into one collaborative project.

Awards

The grand prize winner will receive a water refill station for their school. Runners up will receive plastic free gifts for their participation.
